DAY BY DAY

Each day brings with it new faces and experiences. All of which unite to make an average day unique.

Six classes a day contain different people, subjects and ideas.

In spite of demanding classes and students, you still find time for complete relaxation.

Occasionally, something overwhelmingly exciting happens — you are Homecoming Queen!

Friendships are formed among students as well as with adults.

DAY BY DAY

You understand that you retain your individuality while still being part of a group.

Through continuous communication between student and advisor comes the guidance needed for important decisions.

A friend's insight makes any problem easier to cope with.

Your ability to respect and accept people is necessary for the realization of brotherhood.

Understanding

yourself through others

DAY BY DAY

Striving

Freshmen come to a different school trying to blend in — a new beginning.

Everyday you aim for perfection in all you create.

Students struggled through crusades, petitions, and confrontations against schoolboard blockage — finally, a smoking area.

The agony and tension, of workouts contribute to the satisfaction of victory or discouragement of defeat.

to reach a distant goal

DAY BY DAY

LEARNING is finding that you can leave class having more knowledge than you came in with.

It is the satisfaction of knowing you can do it by yourself, or there is always someone willing to help.

Ideas are exchanged, reapplied, and made your own for future use.

You realize your own limitations and accept the capabilities of others.

Education comes not only from a classroom.

Learning

to open your arms to the world

DAY BY DAY

A successful magazine drive is the result of many weeks of planning, organizing, and hard work.

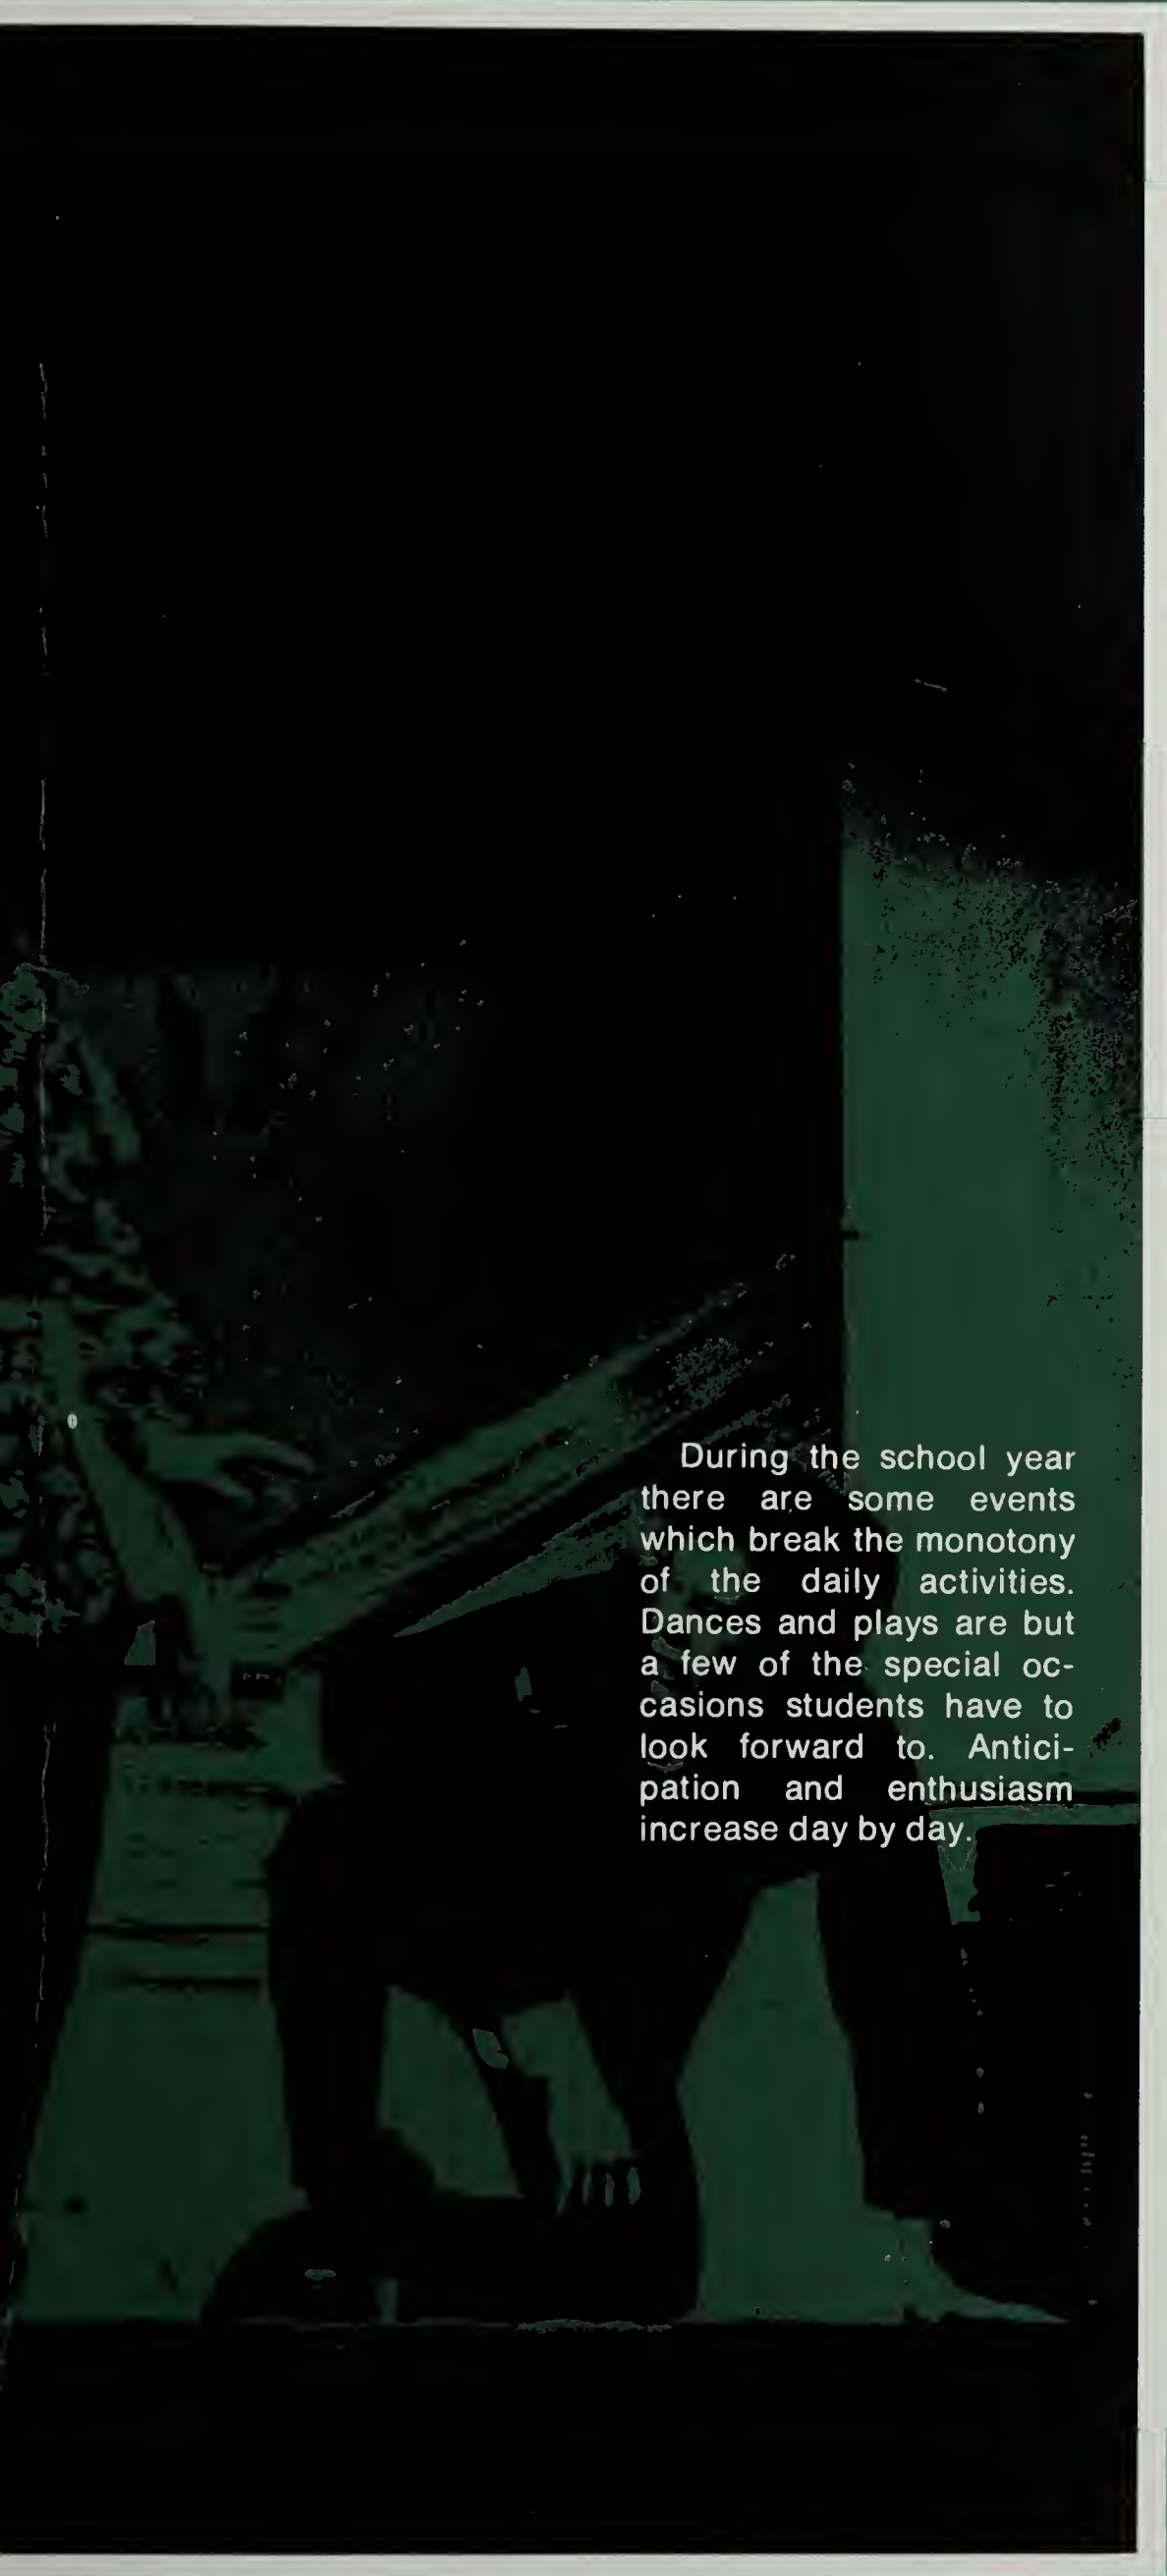

That special feeling at the first formal dance of the year is enhanced by the medieval atmosphere of Camelot.

Days of practicing and tryouts lead up to the excitement and tears of making cheer-leading.

Finally, the end of one in a succession of days comes. Understanding a little more, striving for something better, and learning are achieved day by day.

During the school year there are some events which break the monotony of the daily activities. Dances and plays are but a few of the special occasions students have to look forward to. Anticipation and enthusiasm increase day by day.

STUDENT LIFE

The winning Keyette float — first in club competition.

Once again the band comes through with a creative float.

The 1972 Homecoming dance.

1972 Homecoming Court — Seated — Marcia Yanick, *Queen*; Nancy Cowan, *Maid-of-Honor*; standing L. to R. — Anita Young, *Senior Representative*; Wanda Jackson, *Honorary Member*; Carol Stevens, *Junior Representative*; Jeannie Epling, *Senior Representative*; Beth Bray, *Freshmen Representative*; Vicki Anthony, *Sophomore Representative*.

Seated — Marcia Yanick, *Homecoming Queen*
Standing — Nancy Cowan, *Maid -of-Honor*

Homecoming started out perfectly this year with a victory Friday night over the Madison Warhawks. Half-time entertainment was the presentation of all the floats. The Senior Class float won in the class float competition with a knight in shining armor, Sir Lance-a-Hawk. The Keyette's colorful Pooh Bear placed first in the club competition.

Saturday evening, many beautiful decorations in various shades of purple helped to create a very enchanting atmosphere for Homecoming 1972. The pale lavender lights set off the throne which led to the highlight of the evening: The presentation of the court and the crowning of the *Queen*, Marcia Yanick, and her *Maid-of-Honor*, Nancy Cowan.

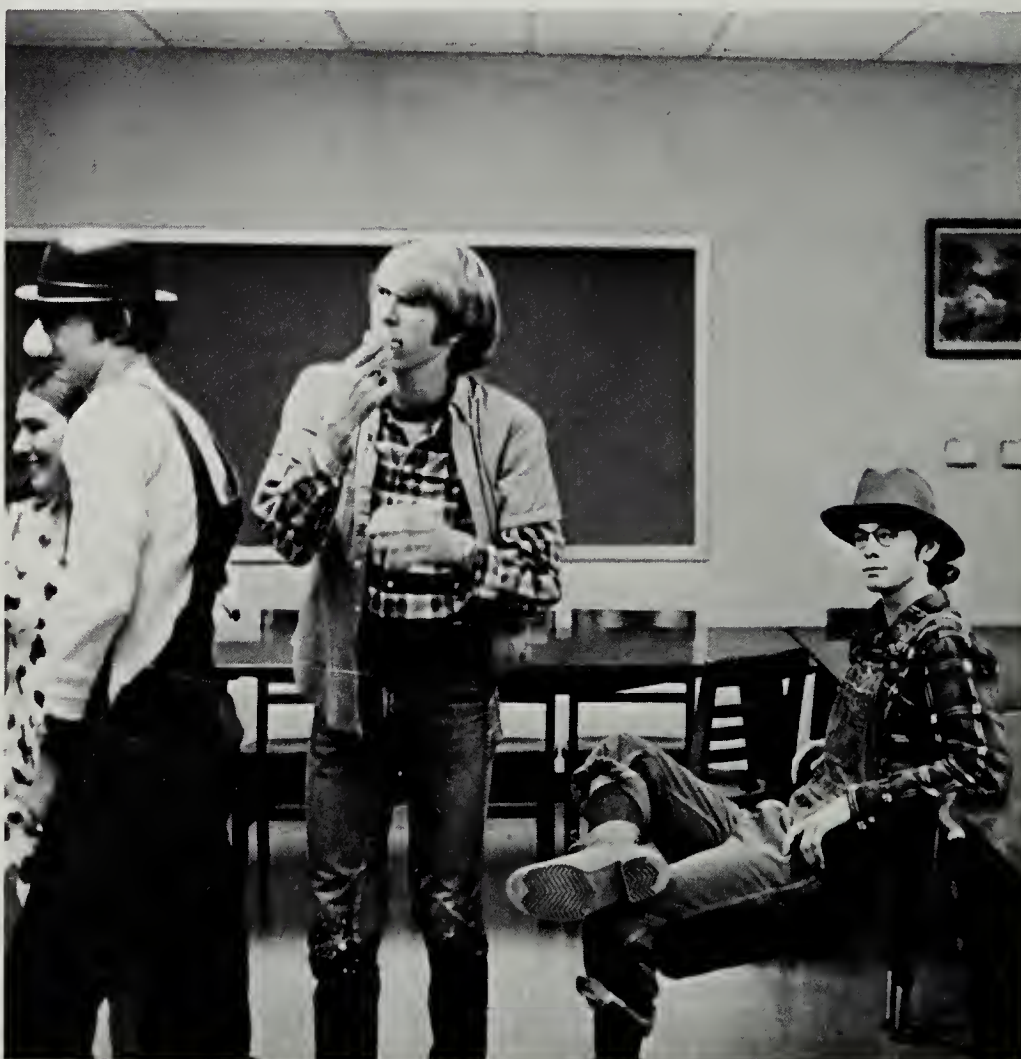

Front Row L. to R. — Craig Lundien, *Injun' Joe*; Mike Davitt, *Tiny Tokum*; Lyle Hayhurst, *Honest Abe*; Mark Waymack, *Marryin' Sam*; Ronnie Taylor, *Pappy Yokum*; Bob Magill, *Lil' Abner*. DECORATIONS MAKE ATMOSPHERE FOR SADIE HAWKINS

Dogpatch came alive once again this year at the annual Sadie Hawkins Dance. Everything started with the competition among the seniors for the characters. Following the tradition of Falls Church, those seniors running for characters grubbed in the halls begging for money. Those who grubbed the most money portrayed one of the twelve characters at the dance. After four days of jingling coins in cans, never-ending pleas for donations, and girls asking guys for dates, the big day finally came. The cafeteria was appropriately decorated with hay and cornstalks giving it the appearance of a barn. Naturally, the highlight of everyone's evening was being illegally married for the remaining three hours with Marryin' Sam performing the ceremony.

Anything missing, Bob?

Pam Goodwin always gets her man.

Mark Waymack waits to unite a couple in marriage.

Debbie Moss searches frantically for just the right guy.

STUDENTS SHOW PRIDE IN FALLS CHURCH

Every year the students at Falls Church show their pride in their school through Pride Week. Walking through the halls during Pride Week, one could easily see school spirit and enthusiasm present everywhere. Classes and clubs participated in honoring the school by helping to decorate the halls and lobbies. Green and white streamers could be seen anywhere as well as many bright, spirited posters and banners. The Civinettes and Freshmen Class came out on top in the hall competition. Red and blue voodoo dolls made out of yarn added to spirit by hexing Stuart. The week was finished off with a memorable pep rally in the dark in which the cheerleaders cheered with glow in the dark tape wrapped around their hands and wrists.

Band members show their pride with a well-decorated main hall.

Ron Taylor seems to be having some difficulty in mounting the Keyette poster.

1972 Christmas Court — L. to R. — Claudia King, *Freshmen Representative*; Diane Ward, *Sophomore Representative*; Dolores Tyree, *Junior Representative*; Marcie Hascall, *Senior Representative*; Kitty Hanrahan, *Maid-of-Honor*; Mariza Araujo, *Queen*; Cindee Stevens, *Senior Representative*; Linda Selquist, *Junior Representative*; Denise Taylor, *Sophomore Representative*; Barbara Yanick, *Freshmen Representative*.

CHRISTMAS DANCE

Contrasting the coldness of a dark winter evening was the FCHS cafeteria on December 16, 1972. "Santa's Fantasy" came alive with bright decorations and the music of God Mother Country. Highlighting the festive dance was the introduction of a revived Christmas Court and crowning of the queen, Mariza Araujo, and Maid-of-Honor, Kitty Hanrahan. To complete a perfect evening, Santa Claus mingled with the crowd, dancing and handing out candy canes to contented couples. The Junior Class has reason to be proud of its '72 Christmas Dance.

Mariza Araujo, *Queen*, reigns over the 1972 Christmas Dance.

CROWDS RAN TO 'SEE HOW THEY RUN'

The fall play, "See How They Run", turned out to be a great success this year. The Drama Department worked diligently for three months getting everything ready for opening night. The actors unceasingly practiced their parts, the stage was set up, lights worked out, and all the other little details were perfected for the first production of the year. The audience was kept laughing all evening with the comical events occurring throughout the play. An identity crisis was the critical element of the play with Corporal Clive Winton mistaken as Reverend Toop, who was mistaken as a Russian spy, who was mistaken as Reverend Humphrey, who was a visiting priest. After three acts of humor, the mix-up came to an end as the curtain fell.

AN EVENING IN PARIS PROVIDES THEME FOR SWEETHEART DANCE

This year's theme for the annual Sweetheart Dance was "An Evening in Paris." Concurring with this theme, the cafeteria was decorated in a French atmosphere of silvery stars on a dark blue background. Intensifying this effect was a charming replica of the Eiffel Tower. Throughout the cafeteria many carts of assorted, brightly colored paper flowers could be seen and enjoyed. As usual, refreshments were served, but this time miniature Eiffel Towers with little French flags on top served as center pieces for the tables. The Magnolia Fallston provided the entertainment for the evening with its rhythmic beat. Highlighting the evening was the presentation of the Sweetheart Court presided over by Miss Joanne Crim, the 1973 Sweetheart Queen.

ENGLISH MYSTERY PRODUCED AT FALLS CHURCH

Neil Barrister attempts to comfort his ailing wife.

Sgt. Charles Axton makes an effort to work without disclosing his identity.

The winter show is always one of the highlights of the year. This year's show, Carmichael's mystery "Victoria's House", was produced using the theatre in the round. With only four weeks between tryouts to production, the play was a success. The mystery unfolds as Neil tries to slowly poison his bride, Victoria, for her money. He almost succeeded when a detective intervenes and saves Victoria after Neil attempts to gas her, but is led to believe that she died. Finally, the detective spooks Neil with bizarre events that even the ghost expert couldn't explain. Neil is caught in his own trap as what he believes to be Victoria's ghost forces a confession of a previous murder that he committed. The light then dims on the suspenseful and exciting mystery.

"No doctor can help you now, Victoria.

Maid and Butler Day brought to Falls Church this year, crazy costumes, scatter-brained stunts such as playing ring-around-the-rosie, and general silliness. This annual festivity was sponsored by the Key Club and Keyettes to raise money for the March of Dimes.

Students bought one chance for a dime, or three for a quarter on the maid or butler of their choice to be a slave for a day. After the big drawing, the masters were announced, and the fun began. The masters brought all sorts of outfits, paraphernalia, and signs for their slaves to wear throughout the school day. It was embarrassing for the club members, but laughs and fun for their owners and all for a very worthwhile cause.

Judy Clements pleads with her master not to complete his plans.

VARIETY SHOW ENABLES STUDENTS TO DISPLAY TALENTS

The MC's add a little comedy to the Variety Show.

The annual Variety Show was an excellent display of the talented students at Falls Church High. Under the direction of Mrs. Frances Crum, the participants presented such varied talents as exotic belly dancing singing, comedy and spanish dancing.

Stage preparations, advanced publicity, and many rehearsals filled the weeks before the March 17 show. The money raised from the show went to the Art Department. However, the success was not only in the money raised, but in giving students a chance to exercise their talents and abilities.

The three masters-of-ceremony announced all the acts and brought the comic highlights to the show. The entire evening was very enjoyable to the audience and participants alike.

Maid, Butler Day, Variety Show

Two casts presented four shows of this year's musical "You're A Good Man, Charlie Brown". The play was presented in the little theatre on the regular stage. The play is based on the comic strip by Charles Shultz. It centers around friendless Charlie Brown whose only friend, Snoopy, likes him because he feeds him, Lucy and her quest for Schroeder, Linus and his love for his blanket, and Patty and her profound ideas.

The combined effect of comedy and music gives the play a unique atmosphere. Songs ranged from solos such as on Lucy's love for Schroeder, Charlie's attempt to fly a kite, or Snoopy's love for supper, to group songs such as a book report on Peter Rabbit and on happiness. The simple set and the well known characters make the musical very easy to identify with.

APRIL SHOWERS' THEME ADDS TO THE CROWNING OF MISS FALLS CHURCH

April Showers rained on Falls Church High on April 7 as 45 underclassmen competed for the title of Miss Falls Church High and 17 seniors for Senior Representative.

The Master of Ceremonies for the second consecutive year was Mr. Morton Rodman.

The judges this year were various businessmen and women of the area and a former Miss Falls Church High.

Miss Falls Church received a cash prize of \$100, she is also a honorary member of all courts, she receives a pass to all school activities, and she will represent the school in the Memorial Parade.

The pageant was sponsored by the Future Business Leaders of America and special acknowledgement to the Drama Department and Richard Jackson.

DANCING IN THE MOONLIGHT' HIGHLIGHTS 1973 JUNIOR-SENIOR PROM

"Dancing In the Moonlight," seniors ended their memories of Falls Church High School with the loveliest memory of all — their annual Junior-Senior Prom. "Nowhere Men" provided music and the high ceilings and fountains of Tysons Corners created a lovely setting. Taking place on May 26, the dance was sponsored by the Junior Class and given as a gift to all seniors. The court, consisting of Queen Linda Bussler, Maid-of-Honor Sherry Rose, ten Senior Class representatives, and four honorary members added beauty and grace to an already wonderful event. The Prom will certainly be cherished in the memories of everyone as the last dance of the year '72-'73 and for many, the highlight of their high school days.

"Is my lipstick smeared coach?" asks Bob Dunn.

"Seventy-Two" proved to be a discouraging year for the *Jaguars*. In spite of our coaches strategy, tremendous defense, and a strong passing game the *Jags* were contained by their opponents. One of our greatest handicaps was the many injuries inflicted on our team, including that of our quarterback, Lyle Hayhurst.

Our first four games against Marshall, Groveton, Robinson and Annandale were disappointing losses. However, the *Jags* came back in the fifth game with a win against the Jefferson Colonials 36-13. The second victory of the season was our Homecoming game against the Madison Warhawks with a score of 14-0.

The team retained their confidence, though, throughout the season with the help of enthusiastic cheerleaders and students.

The JV and Freshmen football teams suffered disappointing seasons in trying to build players for the varsity. Injuries on the varsity level forced some of the better players to move up.

The Frosh, stifled by the loss of key players to JV, finished the season with a 1-5 mark. Their lone victory, an 8-6 decision over Robinson, called for a superior defensive effort from FC, which held a Robinson drive late in the game.

The Junior Varsity was 2-6, but pulled impressive upset victories over Fairfax and Stuart. The Rebels traveled to FC undefeated, but left with a 14-0 loss. Stuart and FC clashed in the season finale, and the *Jaguars* proved superior in this contest by coming up with timely defensive plays.

VARSITY JAGUARS HAVE 14-6 SEASON

The Varsity Jags enjoyed a fairly successful basketball campaign as they vied with Jefferson and Robinson for the District crown. Although they couldn't come up with it, they did prove they were a team to be reckoned with.

A slump towards the end of the season filled FC when they were knocked off by Stuart, Jefferson and Robinson in succession. They did travel to West Virginia to play in a Christmas Tournament, however, and came home winners.

The starting five of Carl Lansdown, Joe Ragland, Mike LaCasse, Tom Harrington and Ned Nicholas put points on the board, along with a valuable sixth man, Alan Short. Mike LaCasse and Carl Lansdown were voted the best in their positions in the District.

JV BASKETBALL NO. 1 IN DISTRICT

The JV team did quite well this year by coming in first place in District. After a bad start with a short losing streak, the team pulled through later with several wins, mostly against district opponents.

The Freshmen squad did not fare too well this season. Their weakness seemed to be the lack of consistent shooting along with the shortness of the team which seems to constantly plague Falls Church High School. Also, some of the better Freshmen players were advanced to the JV team making for an unstable Freshmen line-up.

All and all the teams did fairly well this year considering their lack of experience. We are looking forward to a more prosperous and successful team next year.

VARSITY WRESTLING HAS WINNING SEASON

The Jaguar's Matmen continued their winning tradition, rolling up a dual meet record of eight wins and two losses. The Jaguar's team was young and inexperienced, but soon proved its ability, upsetting highly rated teams such as Jefferson and T.C. Williams.

Head Coach, Jim Dick, drew valuable help from two new assistants, Steve Wilcox and Mike Hillier.

During the Christmas holidays, Falls Church hosted its first annual Christmas tournament marked by tough competition, drawing some of the best teams throughout Virginia.

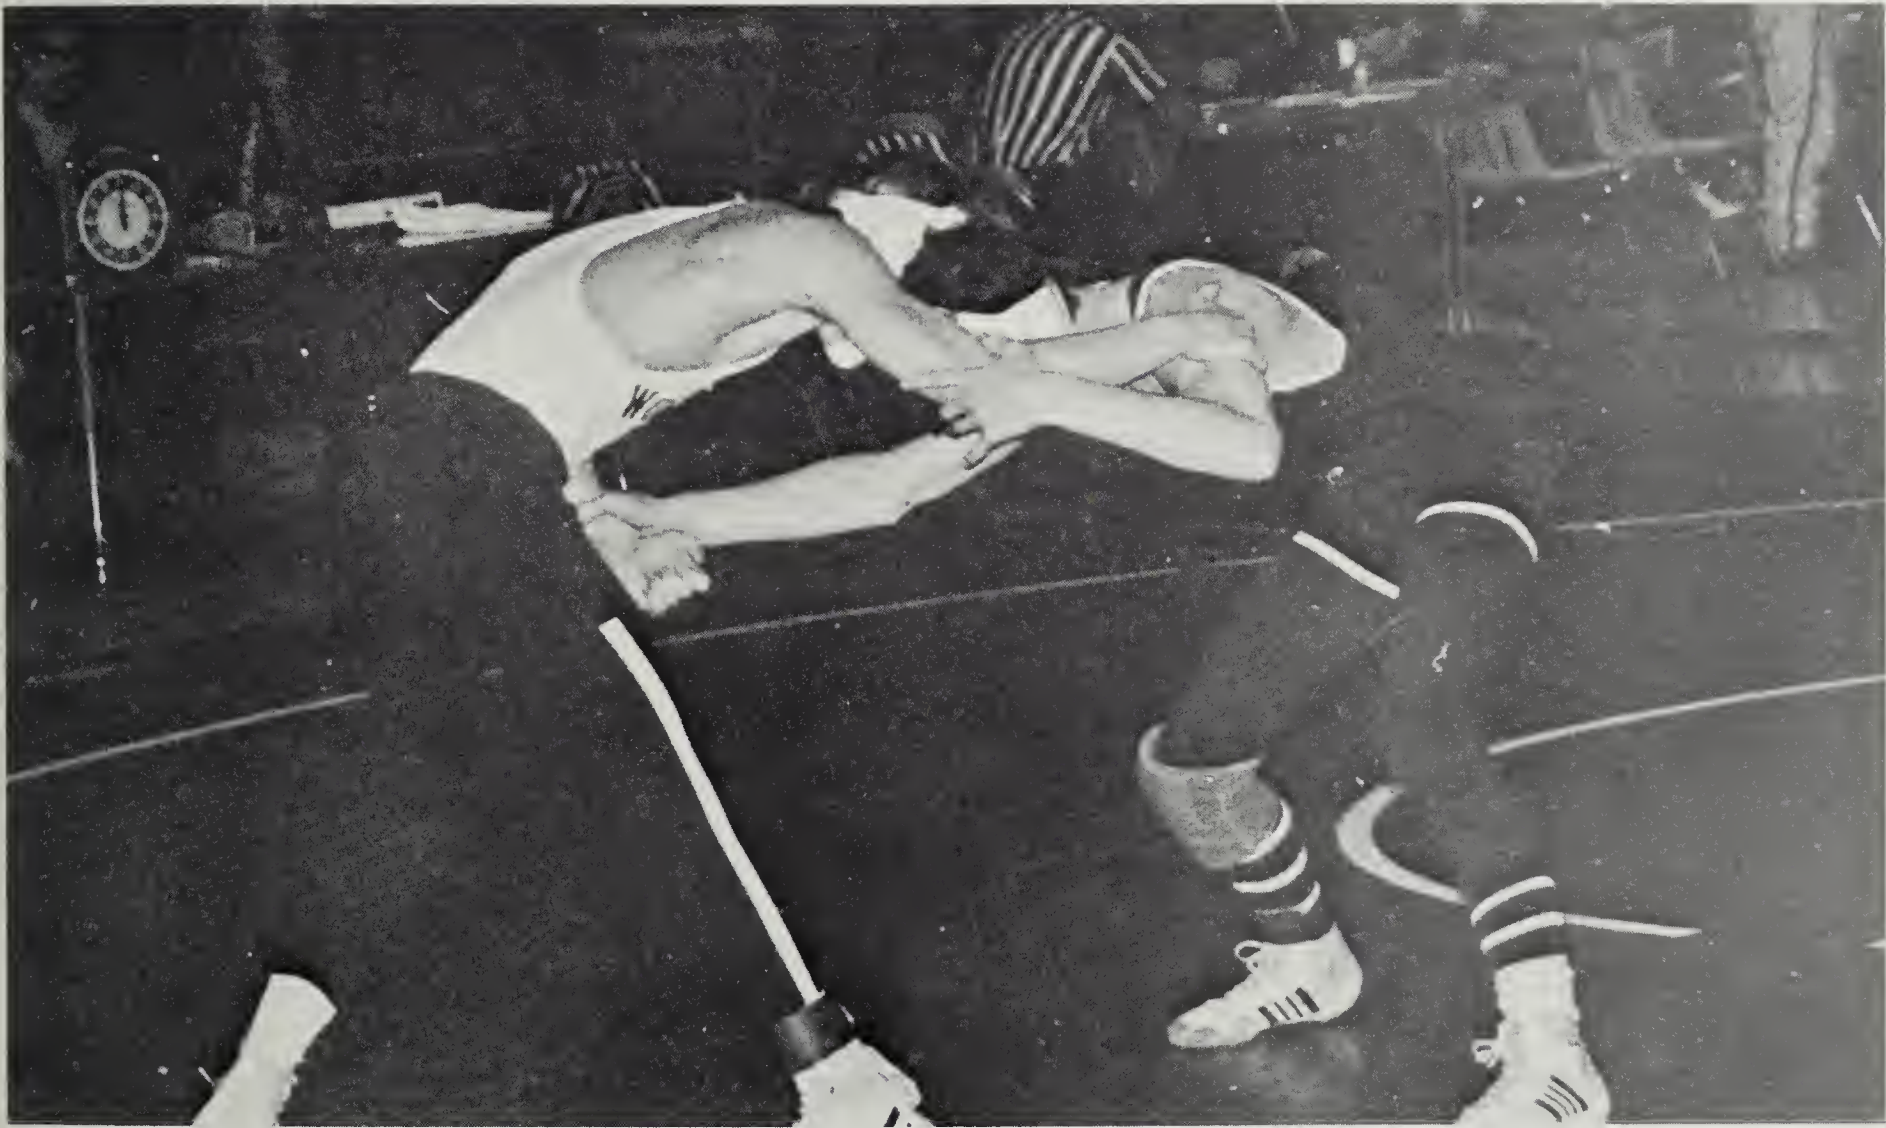

At the seasons end, Falls Church was again in sight of the Northern District Tournament. Three Jaguar wrestlers reached the finals and nine regional tournaments.

Notable JV upsets were against Marshall (60-9), Wakefield (63-3) and T.C. Williams (51-6). The match against Woodson was a tough one with the final score of 24-27.

The Freshmen Squad lost only one match this season with a score of 24-39 to the Fairfax Rebels. The Jags crushed the Annandale Atoms 50-6.

In spite of their inexperience the JV and Freshmen squads showed great skill and promise to bring much talent to the Varsity squad in the future.

VARSITY BASEBALL TEAM SHOWS POTENTIAL AND ABILITY

The Varsity Baseball team, this year, consisted of seven seniors, eight juniors, and two sophomores. The new baseball coach, Mr. McCulloch, along with the boys, put in long hours to gain the experience that is so necessary to a winning team. Practice in the arts of fielding, hitting, sliding, pitching, catching, and long one-mile running laps and hard workouts helping to improve these skills, were all mandatory for the players.

The team faced difficult, as well as easy, games, but acquired a feeling of confidence and assurance that with determination and hard work, they could have a great season.

With a lot of hustle and spirit, the Varsity Baseball team determinedly took on all foes to finish their season with a good record.

JV BASEBALL HELPS THE TEAM MEMBERS TO ACHIEVE SPORTSMANLIKE ATTITUDES

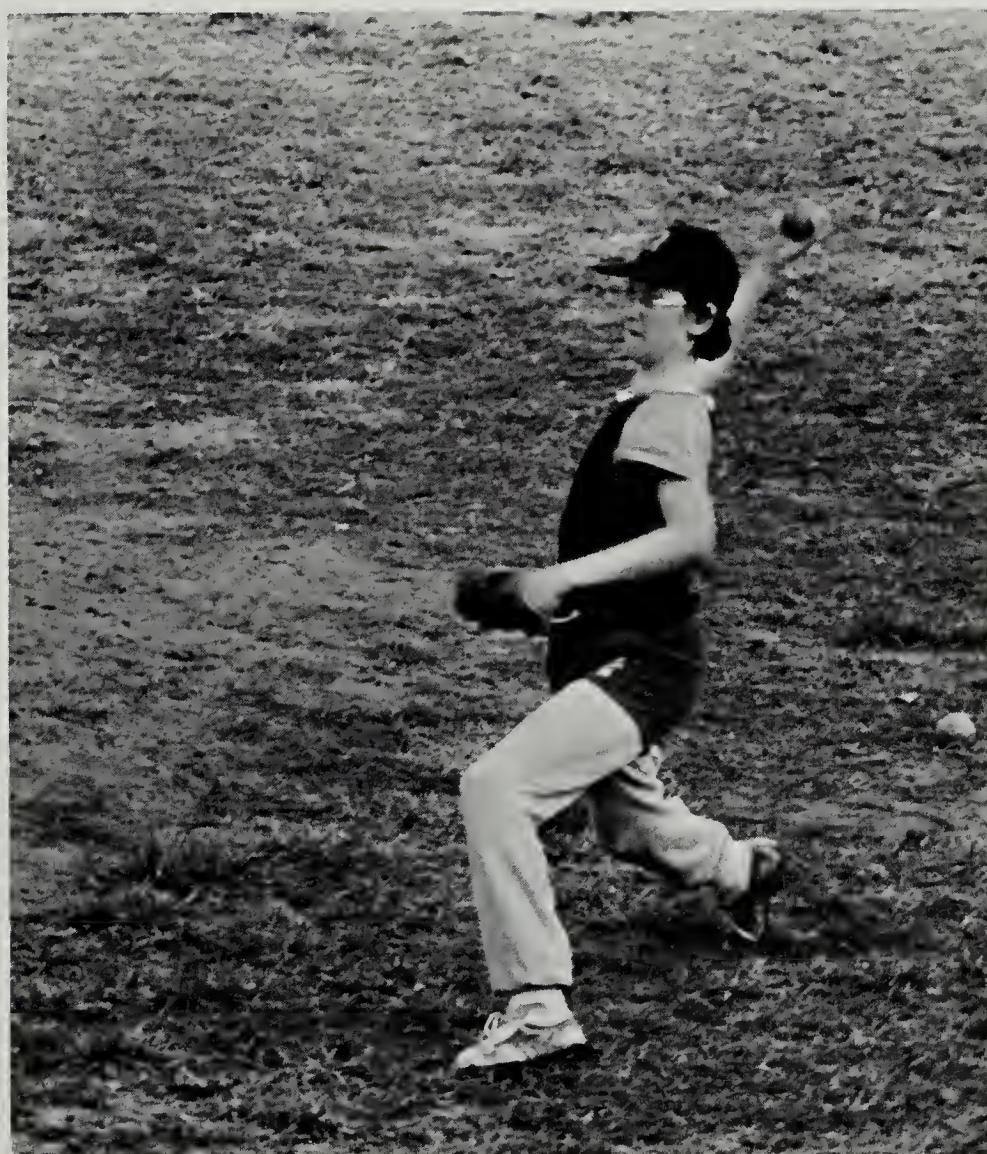

Trying to follow, and modeling themselves after the Varsity Team, was the goal of the Junior Varsity Baseball Team. The team had to become accustomed to the hard workouts needed for getting back into shape after a long winter. Hours of rough practices are what prepared the boys for their upcoming games. They devoted all their time to developing new skills which is the groundwork for building a team for the future.

The new freshman had to learn the ropes, gain experience and skills from each game. Team work and a *Jaguar* spirit sent the boys through a good season. The squad faced each opposing team with enthusiasm, vigor and the will to win that their victory was almost always assured.

CROSS COUNTRY BUILDS ENDURANCE

This year's Cross Country Team ran to a successful 4-2-1 record, one of their best in years. They opened the season as they squeezed by the Woodson Cavaliers 26-21. This was followed by three more wins against Jefferson, Robinson, and Annandale.

Coached by Mr. Wells, the team built up their strength and endurance by running miles a day at practice. Through their hard work and determination the team developed the confidence and skill necessary to win their meets.

TRACK TEAM DEVELOPS STAMINA ALONG WITH RUNNING SKILLS

The 1973 boys track team did not have as many returning lettermen as they expected, so the team was smaller and younger than in previous years. However, they were experienced and hard working. The team was strongest in middle and long distance events, several field events and their mile relay team looked good this season.

Many of the boys had been practicing in the gym lobby since November and participated in some indoor meets at Robinson, Fairfax, and the Naval Academy at Annapolis. The spring season included, besides the regular duel and tri-meets, the Harringer Relays, a district, county, and state meet.

The cindermen deserve much credit for their long hours of practice in fair weather and seasonal downpours, and for their unity and spirit.

SOCCKER TEAM DISCOVERS NEW SKILLS

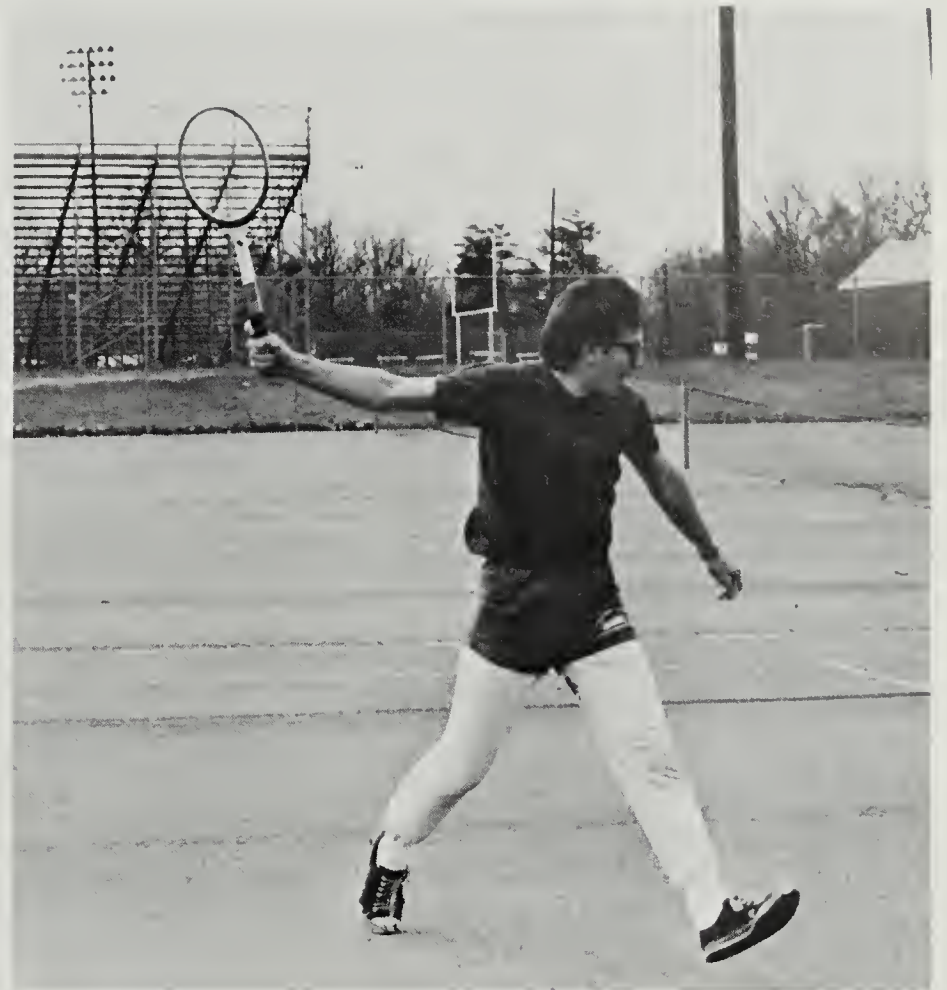

In the past few years soccer has become quite a popular sport here at FCHS. This year is no exception, and the team is looking forward to a winning season. The team is made up of twenty-five hard working, enthusiastic guys, and fortunately, this year they have the benefit of many of last year's returning lettermen. An important change taking place this year is changing the lineup. Instead of having a 3-3-4 lineup, a 4-3-3 lineup was put into effect to give the team more power on offense. So far, it has proven to be a successful tactic in pre-season games. Out of the four pre-season games, FC lost only one to T.C. Williams. With this change giving us a stronger offense along with the team spirit and effort, Falls Church should be on the road to a victorious season.

"Now where did that ball go?" asks Robert Buckhorn.

Pete Pommetto swings to hit the ball.

The boys tennis team has become an important spring sport. Because of the increase in members, the team displayed wide and varied skills. Practicing every afternoon the team improved tremendously under the coaching of Mr. Bonnett. Playing each other daily, the boys increased their serving, backhand, and forehand abilities. Tennis, being a very strenuous sport, demands much stamina, control, self-discipline, and aggressiveness. Besides the physical qualities, the team had to learn a little psychology and game planning to keep their opponents on the defensive. After acquiring these strengths the team faced several schools in district matches.

RIFLE TEAM IS RIGHT ON TARGET

The Rifle Team had a very promising year. They finished their season with six wins and five losses. This is a satisfying improvement over its previous years.

The Rifle Team emphasizes individual marksmanship and improvements. Although each member shoots by himself, the scores are added collectively. Therefore, the team's success depends on each individual's accuracy.

Now in her second year of coaching the team, Miss Comeau contributed much time and knowledge along with her constant support.

The Varsity Golf Team made this a year of building skills for the future. Even with four returning seniors, the emphasis was on the underclassmen by giving them as much experience as possible. This experience came from the matches and post-season tournament play-offs. The team played in the Quantico Invitational and the District Tournament, where the skills and confidence gained were immeasurable. With this plan for the future, vast improvement is in the offering.

VARSITY HOCKEY PUTS FORTH BIG EFFORT

In spite of the effort put forth by the Varsity Hockey team, their record for the season is seven loses and one tie. Though their record looks bad it doesn't really reflect the true ability of each team member. The skills each player acquired by the end of the season were outstanding. Each girl kept her spirits up throughout the season. During the many, many practices one could always hear shouts of encouragement from fellow team members from both the sidelines and the field. Each girl was willing to help her fellow teammate. The team just couldn't seem to get together this year, but it wasn't because the girls didn't try. With the returning Varsity Hockey players and the JV players we can expect a successful team next year.

The JV Hockey team, coached by Miss Sandy Reynolds, had a good season this year. Their record was six ties, one loss and one win. The team put forth the effort in every game, but just couldn't seem to overcome their opponents for a win.

Through all the days of practice the girls showed hard work and perseverance. Throughout the entire season not one single girl gave less than her all.

There were many skilled returning Sophomores on the JV team this year, who gave the team the experience they needed. Along with the new Freshemen, who really tried their best, we had a really hard working and determined team.

One of the newest sports here at Falls Church High School is the girls tennis team. Along with the fine coaching of Mrs. Maddox and the efforts of all the girls, the team prepared for several tough matches and did well in competitions. The girls learned what endurance and competing in an individualized sport means as well as learning self discipline and bettering their skills.

The team was optimistic and full of spirit at their matches and they came away from each match knowing what they did or did not do and how to correct it.

As a whole, the girls tennis team did quite well. The girls themselves are, as a result, better tennis players and have gained valuable experience.

The girls Varsity Basketball team had a fair season this year. Although each individual member of the team had her own talents, which were very good, the team had a little trouble getting themselves together at times. They had many tough games this year and they managed to pull through with several wins. Even when the team lost, the girls played their best and the team always went down trying. Along with the great coaching of Miss Sandy Reynolds, the girls on the team kept up their spirit and enthusiasm throughout their season. Even though the girls weren't victorious at very many of their games, they have acquired valuable experience and have good memories of their season.

JV BASKETBALL LEARNS IN SPITE OF LOSING SEASON

The Girls JV Basketball team had a fair season this year also. The team did not walk away from very many of their games as winners, but they never stopped trying. The team had many returning Sophomores on the team who contributed their skills and experience to each game. The Freshmen on the team were very ambitious and never stopped trying.

The team was a very high spirited and enthusiastic one and the girls learned to take their disappointments in their stride and try again.

With the skills of the girls shown in their games we are looking forward to a successful future in both the Varsity and JV teams.

Strenuous exercises help build up endurance for the girls track team.

GIRLS TRACK TEAM BUILDS ENDURANCE IN ITS MEMBERS TO ENABLE A PLACING IN STATE

This season's girls track team had quite a few promising members including three that did well at the state meet last year. Most of the members were freshmen and sophomores with little experience, but gained much during the season.

They started out with many a sore muscle and quite a few cases of shin splints, but everyone recuperated in time for the meets. Their workouts have been considerably harder than in recent years, including running up and down the bleachers and jogging a course through soggy, muddy fields.

These girls looked very good in the hurdles, the sprints, and some of the field events.

Both the regional and state meets were scheduled to be held at Woodson High.

GIRLS GYMNASTICS TEAM DEVELOPS SKILLS

As a fairly new sport at Falls Church, the girls gymnastics team had a pretty good season. Although all of their meets offered tough competition, they had two especially tough meets, as they were competing against the best in the district. However, the girls put all their effort into preparing and performing their routines the best they possibly could, whether they won or whether they lost. The routines the girls used included free exercise, parallel bars, balance beam and vaulting.

Each girl took endurance to every practice and enthusiasm and spirit to each meet. Each girl put all she had into performing her best.

STUDENT GOVERNMENT HAS A NEW LOOK

The Student Government had a very active year beginning with the summer painting of the SG office, changing the traditional green and white to bright purple and yellow. Wide and varied forms of entertainment, such as "Harvey Hubcap," graced the scene. Real progress was made in upgrading the school environment with the addition of a Coke and candy machine as well as benches to the Smoking Courts.

THESPIAN HONOR SOCIETY AND DRAMA CLUB DISPLAY TALENT

The Thespian Honor Society and Drama Club put on four successful plays for the 1972-73 season. Musicals, dramas, and comedies provided great variety and showed off their many-faceted talents. Learning techniques from other high schools and professional productions increased the clubs' knowledge of the performing arts. The Drama Department has successfully produced another year of entertainment.

YEARBOOK STAFF LEAVES THEIR MARK

Linda Steckbeck, *Editor-in-Chief*.

This year's yearbook staff worked long hours to produce a book that represented every aspect of life at Falls Church High. Copies and layouts were only a part of their job. Setting up pictures, finding candid, getting club and faculty information and sports information were some of the other things they were concerned with. Working together to meet those monthly deadlines was often hectic, but worth the trouble when the yearbooks finally arrived.

STUDENTS EXPRESS OPINIONS THROUGH JAGUAR JOURNAL

The Jaguar Journal tried to increase their circulation this year by making the paper more interesting to the students. More letters and articles on controversial topics were printed, as well as the usual conventional articles. Interviews with members of our top rated basketball team, and the results and summary of the school-run elections are only a few of the many exclusive articles written by the staff of the Jaguar Journal.

LITERARY MAGAZINE PUBLISHES STUDENTS' WORK

The Literary Magazine staff was made up of interested people working to put together a magazine. In the past they have won awards and they worked to keep this honor. Supplements to the magazine were published monthly by the staff. In each one of these supplements the literary works of one FCHS student were presented. These gave some insight into the contents of the spring issue of the Literary Magazine.

KEYETTES OFFER THEIR SERVICES TO SCHOOL AND COMMUNITY

With service as their key word, the Keyettes faithfully sought out ways to serve the school and community. They met their goal through such projects as supporting disabled war veterans, patterning a brain damaged child, and visiting an old folks home every Sunday. Collecting for March of Dimes, Leukemia, and Alsac showed how much the members cared about helping people whenever possible.

One of the many Keyette meetings held to work on projects.

Linda Bussler is amazed at the turnout of the March of Dimes collections.

The Key Club created a new image this year. Collecting for UNICEF, Cerebral Palsy, and the canned food drive were just a few of their projects. On Saturdays they cleaned up the football field after every home game. The Key club joined the Keyettes in producing a first place Homecoming float. Service to the school and community became an important part of this year's Key Club.

CIVINETTES PLACE SECOND IN PRIDE WEEK

The Civinettes have contributed much time and effort to those in need this year. Long hours were spent opening a camp for retarded children, visiting a nursing home, and on money raising projects. School services included cleaning out lockers and holding a faculty tea. Each successful activity brought closer the unity and services the club strove to achieve.

Cathy Nolan, Marcie Hascall, Mariza Aruajo and Beth Kenestrick work on the float.

Barbara Major knows secret pals are one of the fun things in Civinettes.

Fourth Row — Thomas Trapezzi, James Galini, Brucie, Robert DiGillio.

CIVITANS CHANGE IMAGE

After a few slow years the Civitans became an active service club. One of their many service projects was the selling of P.O.W. bracelets and handing out literature. They also took retarded children on a picnic sponsored by the Senior Civitans. Working with the Civinettes they produced a second place Homecoming float. Civitans have been more concerned with service this year than any other year.

TABS CONTINUE TO SERVE SCHOOL AND COMMUNITY

The Torch and Banner Society was very busy this year. Visiting a nursing home, collecting for charities, selling lollipops, holding bake sales, and having slumber parties were some of the activities they participated in. Working on service projects, and money raising activities helped the girls develop responsibility and brought the club closer together.

Some of the TABS get together for a picture before a slumber party.

TRI-HI-Y HAS ACTIVE YEAR

The second year of Tri-Hi-Y was filled with many activities. Fund raising projects included the ever-popular bake sales and the selling of mints. Giving a needy family Thanksgiving dinner, collecting cans for the canned food drive, and an ecology project were some of the other things that kept the club busy during the year. In spite of the small membership the club has successfully served both school and community.

Lisa Tavelli and Lisa Streets discuss plans for future activities.

Bringing someone from another country and trying to make him feel comfortable in a foreign atmosphere is what the American Field Service is about. Holding bake sales and sponsoring the annual Phantasmagoria are a few of the ways the club raised money to send students to other countries.

The Human Relations Council met weekly to discuss and try to change some of the problems every school faces. Under the direction of Mr. Jay Jacobs the council has made much progress.

ART CLUB LEARNS NEW TECHNIQUES

The Art Club, being one of the first clubs at FCHS, provided those interested in art a chance to express themselves. The Art Club also helped with the production of the Variety Show.

The Chess Club gave any member of the student body an opportunity to participate in games of chess. Several matches against other high schools gave the members the chance to test their strategy and ability.

GERMAN AND LATIN CLUBS DISCOVER NEW CULTURES

In its second year at FCHS the Latin Club became an active and involved organization. A Latin banquet, in keeping with the tradition of classical Rome, was held along with the celebration of Rome's birthday. They were not only concerned with their own activities, but also participated in Homecoming with a float and in the canned food drive.

The German Club had done much to beautify our school grounds by planting trees.

FRENCH AND SPANISH CLUBS FORMED FOR INTERESTED STUDENTS

Only in their first year, the Spanish and French Clubs became involved in activities to broaden their members' knowledge of their respective countries. Visiting restaurants was only one of many projects used to acquaint them with other cultures. Both have a large membership and a great deal of enthusiasm which serves as a basis for very active clubs for years to come.

FRENCH CLUB — Seated L. to R. — Mary Thomason, *Secretary*; Debbie Wimmer, *Vice President*; Pattie Richards, *President*. *Second Row* — Mrs. Walbridge, *Sponsor*; Judy DePalma, Cathy Elkins, Helen Karageorge, Deanna Heath, Cathy Stevens, Cindy Malock, Debbie McKinney. *Third Row* — Janise Jameson, Abbie Ryan, Peggy McCrae, Karen Fioramonti, Terry Genduso, Simmy Murdock. *Fourth Row* — Bruce Simmons, Jeff Custar, Loo Stevens, Karen Jones, Mary Beth Polansch, Jan Metzler, Diane Epling, Pete Dunlop. *Fifth Row* — Gary Palmer, Neil Nappo, Linda Fulford, Vicki Bugg, Terry Rankin, Jane O'Hara, Jimmy Steckbeck, Eric Keller.

DEBATE AND FORENSICS IMPROVE SPEAKING CONFIDENCE AND CAPABILITY

The Forensics Club and the Debate Team were organized to help students master the art of speech and disciplined argumentation. Both participated monthly in the Washington League of Forensics meets from October to April. This year's topic for debate was: "That governmental support of all schools should be provided by the federal government."

FHA AND FTA PREPARE GIRLS FOR FUTURE

The Future Homemakers of America had a busy year as they contributed their time to collecting toys and clothes for needy families and visiting the children's ward at Fairfax Hospital. To help build up their funds they held bake sales and sold stationery.

The Future Teachers of America were also quite involved as they encouraged the use of educational facilities and promoted interest in educational and teaching careers.

GAA TRIES TO PROMOTE ATHLETIC ABILITY IN GIRLS

Members of the Hockey team all participated in GAA activities.

Because of its large membership, the Girls' Athletic Association had the opportunity to participate in many projects. Besides running the concession stand at football games, they supported both girls' and boys' sports by selling Booster memberships. The recreational activities, including bicycling trips, camping, and canoeing, created still another image for this group. All of these activities broadened the appeal of this club to the girls.

STUDENTS PURSUE INTERESTS IN OUTDOOR CLUBS

The Outing Club, a new organization this year, attempted to bring together students interested in nature. Activities such as back-packing, hiking, caving, and canoeing were experienced by the enthusiastic members. The Ski Club has given experienced and non-experienced students the opportunity to develop their skills and attend weekend skiing trips.

RIFLE AND SCIENCE CLUBS DEVELOP SKILLS

The Rifle Club consisted of superior marksmen who had passed the National Rifle Association's qualification test this year. They developed sportsmanship, learned how to safely handle firearms, and participated in contests.

The Science Club was busy this year. When not visiting various science institutions, they were working on projects such as an 8 inch reflecting telescope and a salt water aquarium.

VICA AND DECA GIVE STUDENTS EXPERIENCE IN WORKING WORLD

Two active programs in the business department are VICA and DECA. These programs offer students a chance to go out into the business world and get the experience and knowledge necessary in finding a good job. Field trips and guest speakers are just a few of the ways this is accomplished. Both clubs benefit all students interested in a successful business career.

CHEERLEADERS PROMOTE SPIRIT THROUGHOUT SCHOOL

Those spirited girls in green that ranged from Frosh to Senior formed the Cheerleading Club. They planned their way into a successful year. They held bake sales and car washes to help pay for new uniforms, equipment, spirit gimmicks, a watermelon feast, a cheerleading clinic, and a glow-in-the-dark pep rally.

These girls' enthusiasm, never-ending spirit, and faith proved to be contagious, and spread through the classes for years to come.

CHOIR HAS A GOOD YEAR UNDER NEW DIRECTOR

Any student, whether Freshman or Senior, looking for somewhere to belong could undoubtedly find his place in the Choral Department. Under the direction of Mr. Robert Webb, the different groups sang all types of songs ranging from classical to favorite show tunes. Another welcome addition to the Choral Department was the Broadway Broads. Combined, these groups made up a talented Choral Department at Falls Church High.

MR. JOSEPH L. KING, Principal

Some changes were brought about with the beginning of the 1972 school year. Mr. Sal Digiorgi was transferred to our school from Stuart and took over the position of Assistant Principal of Administration. Mr. Paul Jones was promoted from Biology teacher to Administrative Aide. Smoking areas began their first complete year with a great deal of success thanks to the cooperation of administrators as well as students. The racial situation was a touchy one, but they handled it with coolness and tact. The demands of their jobs often make them hard to find and even harder to keep in one place for more than five minutes. Many times, though, they can be found in the halls and classrooms talking with students, getting reactions, and most important of all, listening to new ideas.

GUIDANCE

Arranging the appropriate schedules for students, helping seniors find the right college, administering college boards, and listening to the students' frantic pleas for help is only a small part of a counselor's job. It is a strenuous one with problems to be smoothed out. Unfortunately sometimes when a student wants to see his counselor, he is so busy that the student has to make an appointment for two weeks later. By the time two weeks pass the student has forgotten his problems and has given up hope of ever seeing his counselor again. On the other hand, it is surprising how quickly a student can find himself seated before his counselor when he has cut a class or is making poor grades. However, they do the best they are capable of with a very difficult job.

SECRETARIES AND SPECIAL ASSISTANTS

Whether it is that book report that has to be done, or just reading for the sheer enjoyment of it, students know where to look — the library. If students are having difficulty with a research paper, or would merely like assistance finding a book, our librarians are always willing to lend a helping hand. Swamped with piles of paperwork plus answering phones, the school secretaries managed to take quite a bit of the load off the teachers and administrators. The finance office kept track of the money from every school organization and became quite familiar with their treasurers. The A.D.P. office worked long hours on processing schedules, report cards, printing up lists and alphabetizing cards. All these behind the scenes workers make Falls Church High run smoothly.

By offering courses ranging from Consumer Math to Calculus, the *Math Department* prepared students for the consumer-oriented world and also helped to produce the engineers and mathematicians of tomorrow. The objective of the Math Department is not only to teach the material from the textbook, but to also relate the importance it will play in the changing world around us. Some of the ways the teachers attempt to reach this goal are by encouraging students to work with the computer and to participate in activities dealing with advanced math, such as the Math Team. Although sometimes discouraged, the *Math Department* continues to offer students every chance to gain as much knowledge as possible.

SCIENCE

Learning everything you wanted to know about yourself, but were afraid to ask is what the *Science Department* is all about. Even something as simple as conducting a biology experiment outside in the woods offers students a better chance to relate the knowledge learned to the outside world and everchanging environment. Experience in the art of dissecting frogs is as valuable as conducting experiments to produce special chemical reactions. Changing moles to grams, balancing equations, and writing up countless labs are some of the more unpleasant assignments given to students, but are nonetheless important. The annual science fair offers students the opportunity to show their knowledge and creativity and to learn from other students.

FOREIGN LANGUAGES

Learning basic vocabulary skills and advancing on to higher means of communication are the goals students studying foreign languages set for themselves. There is a wide variety of foreign languages at Falls Church to study, and all require much work and effort on the part of students and teachers alike. Several hours a week of preparations, homework, drilling, and speaking are necessary to increase vocabulary and fluency. Interesting textbook material and films show students not only the language, but the cultural background of the land also. Field trips, honor societies, and guest speakers are a few of the methods teachers use to add spice to the courses offered. Advanced students learn to converse in a foreign language almost as easily as their own.

ENGLISH

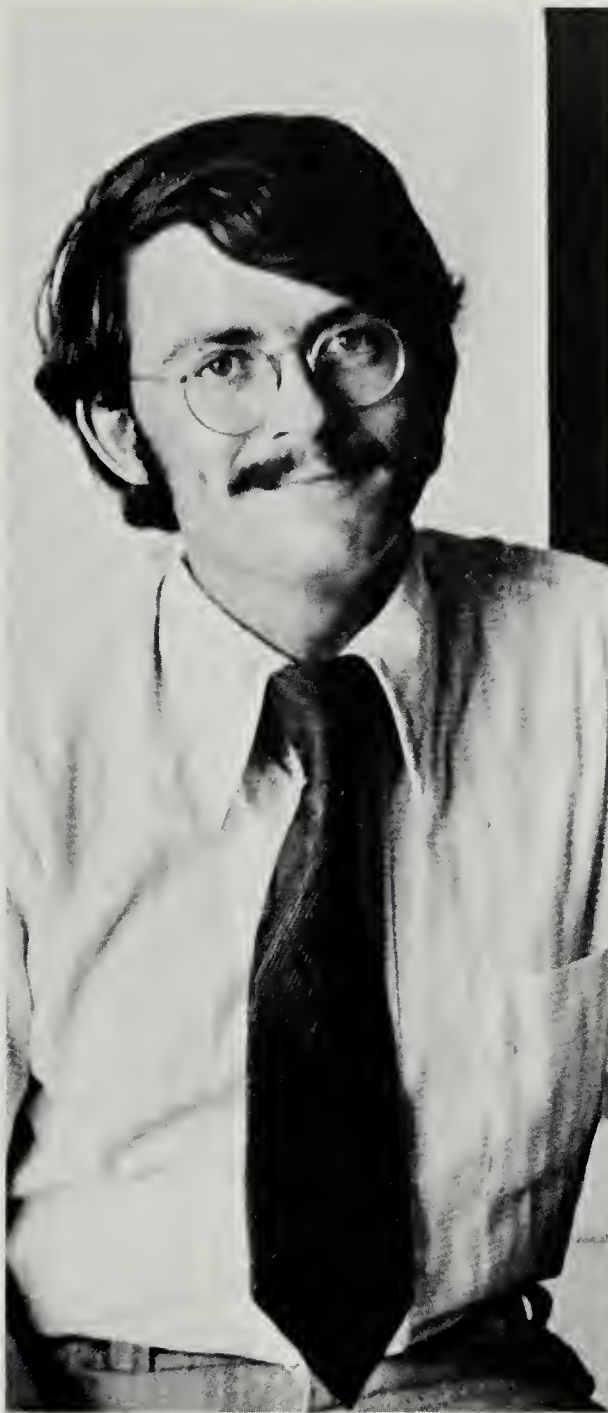

Thematic English again this year played a large part in the academic and vocational curriculum offered at Falls Church. It not only gave the students a chance to choose a subject that interested and challenged them, but the teachers also. Changing classes and teachers each quarter offered a much needed variety in the otherwise dull routine. Humanities was again offered, and gave a challenge to the mind for those who exert the effort in drama, art, music, philosophy, and government. Another major phase of the English curriculum is vocabulary study. Preparing college bound and vocational students for the difficult years ahead, and helping them meet the challenges of tomorrow's schools are what the *English Department* is all about.

SOCIAL STUDIES

MRS. ELVERA WELK
Psychology, German 1,4

Teaching about the shape of the earth, the history of the world and the government of our society are basically the jobs of the *Social Studies Department*. Interest is achieved by offering a large variety of topics of study. Classes were changed the third quarter to enable students to choose a subject of interest to them personally. A school-wide presidential campaign was held in October by the government classes to set off enthusiasm and debates on the actual national election held in November. Students organized and carried through their plans for the election and their efforts were rewarded with a large success. Field trips, guest speakers, and lively classroom discussions helped students better understand the past, the present and the future.

The *Business Department* is kept busy training students in such skills as typing, bookkeeping, and shorthand. These important skills are learned for personal use or for job preparation. Working experience is also offered along with classroom work. Many more field trips were taken this year and this resulted in much added knowledge for the students. One major change in the curriculum this year is the addition of a cosmotology laboratory. This was welcomed and put to very good use by the students. In addition to the courses available here at Falls Church, many students benefited by the vocational training courses available at Marshall High School. All of these areas together made up a very successful year for the business students at Falls Church.

This sure beats the hunt and peck method!

Health and Physical Education classes taught driver's education, first aid, classroom study of mental health and physical education, and all types of sports. Team work, basic skills, and, of course, sportsmanship are a few other fundamentals the teachers tried to relate to students. Archery, tennis, football, baseball, hockey, and basketball were among the sports offered to boys and girls alike. Students with special interests often participate in intramurals or team activities after school. Learning the importance of safe driving and knowing the rules of the road are part of the driver education course offered to students. HOME ECONOMICS AND INDUSTRIAL ARTS

Learning to sew, cooking exotic dishes, and working with home furnishings are a few of the basics of the *Home Economics Department*. Special courses were offered in consumer education and food service in an attempt to make modern life a little easier. Fashion design was offered to the more advanced students who wished to increase their skills and prepare themselves for a future career. Mechanical Drawing is proving to be an increasingly popular course at Falls Church and gives students the opportunity to show their creativity. Working with metal, wood, and glass are a few of the materials with which the students experiment. Repairing home fixtures and working with used cars are what the *Industrial Arts Department* is best known for.

The *Art and Music Department* brings a creative dimension to Falls Church High School. Students develop artistic talents through ceramics, mosaics, paint and charcoal, to name just a few mediums which the art students explore. This year their experiences were supplemented by a field trip to New York. Falls Church's band dominates the *Music Department*. During marching season, all band members are required to practice sixth period and after school every day. This is not to mention the countless practices held before important competitions. Our *Choral Department* under the strain of a new director, has proved itself to be doing well. Along with the Madrigals and the Mixed Chorus, the "Broadway Broads" make up our *Choral Department*.

Keeping Falls Church High School clean and tidy is the difficult task set for the custodial staff. Long hours of hard work, and of picking up after sloppy students gets very discouraging; however, the staff continues to keep our halls, bathrooms, and classrooms clean and sanitary. Repairing broken lockers and stopped up toilets are a few of the many unpleasant duties of the custodial staff. Planning delicious and appetizing meals for two thousand students is no easy job, but these women exert all their effort to serve students nutritious lunches for the many students and faculty everyday. These staffs are definitely taken for granted, but are the most efficient and conscientious in all of Fairfax County.

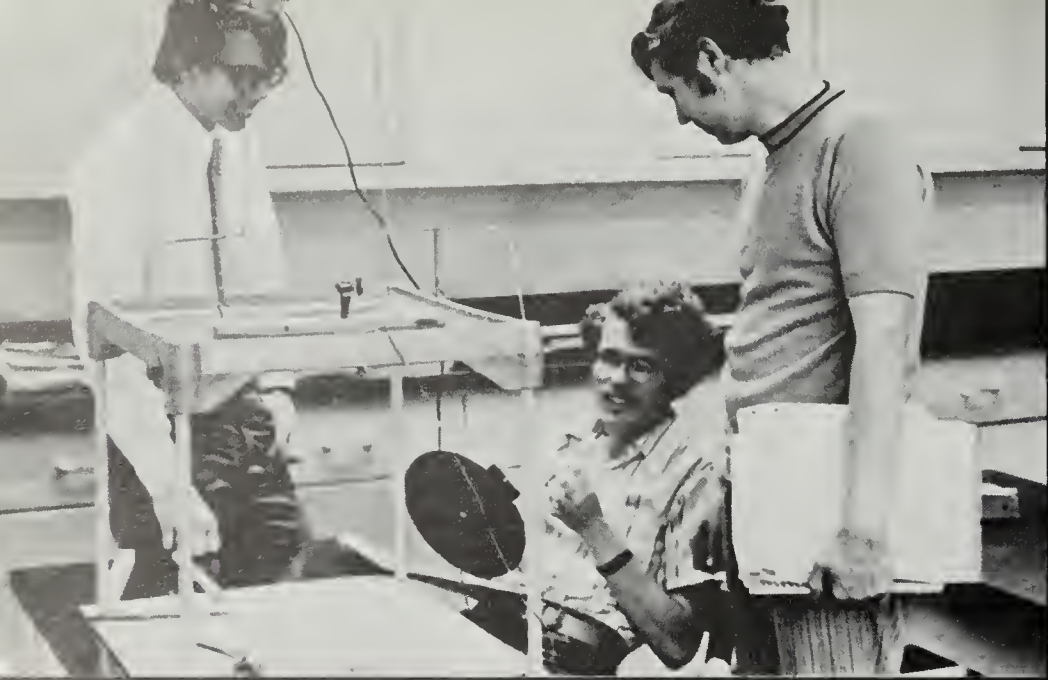

Faculty

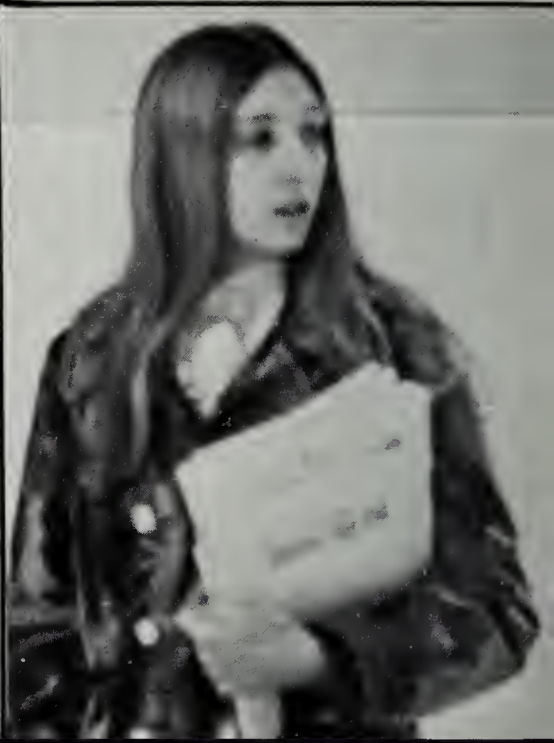

As the year progressed students developed enthusiasm for learning, found friendship and understanding in fellow classmates, and accepted the responsibilities of school life day by day.

Lyn Griggs finds the library a relaxing place to study.

Uniting as a class with a lot of determination the Junior class strived for that almighty status of "Senior."

They entered a float in the annual Homecoming activities, and presented the Christmas dance with the new addition of a court to attract more people.

With the help of class dues and a fund raising pennant sale they presented the long awaited prom.

Denise Taylor smiles at the thought of being a sophomore.

Now in their second year at Falls Church High the Sophomore class has begun to work. Through many well attended class meetings they organized doughnut sales and bake sales in an effort to build up funds for future use.

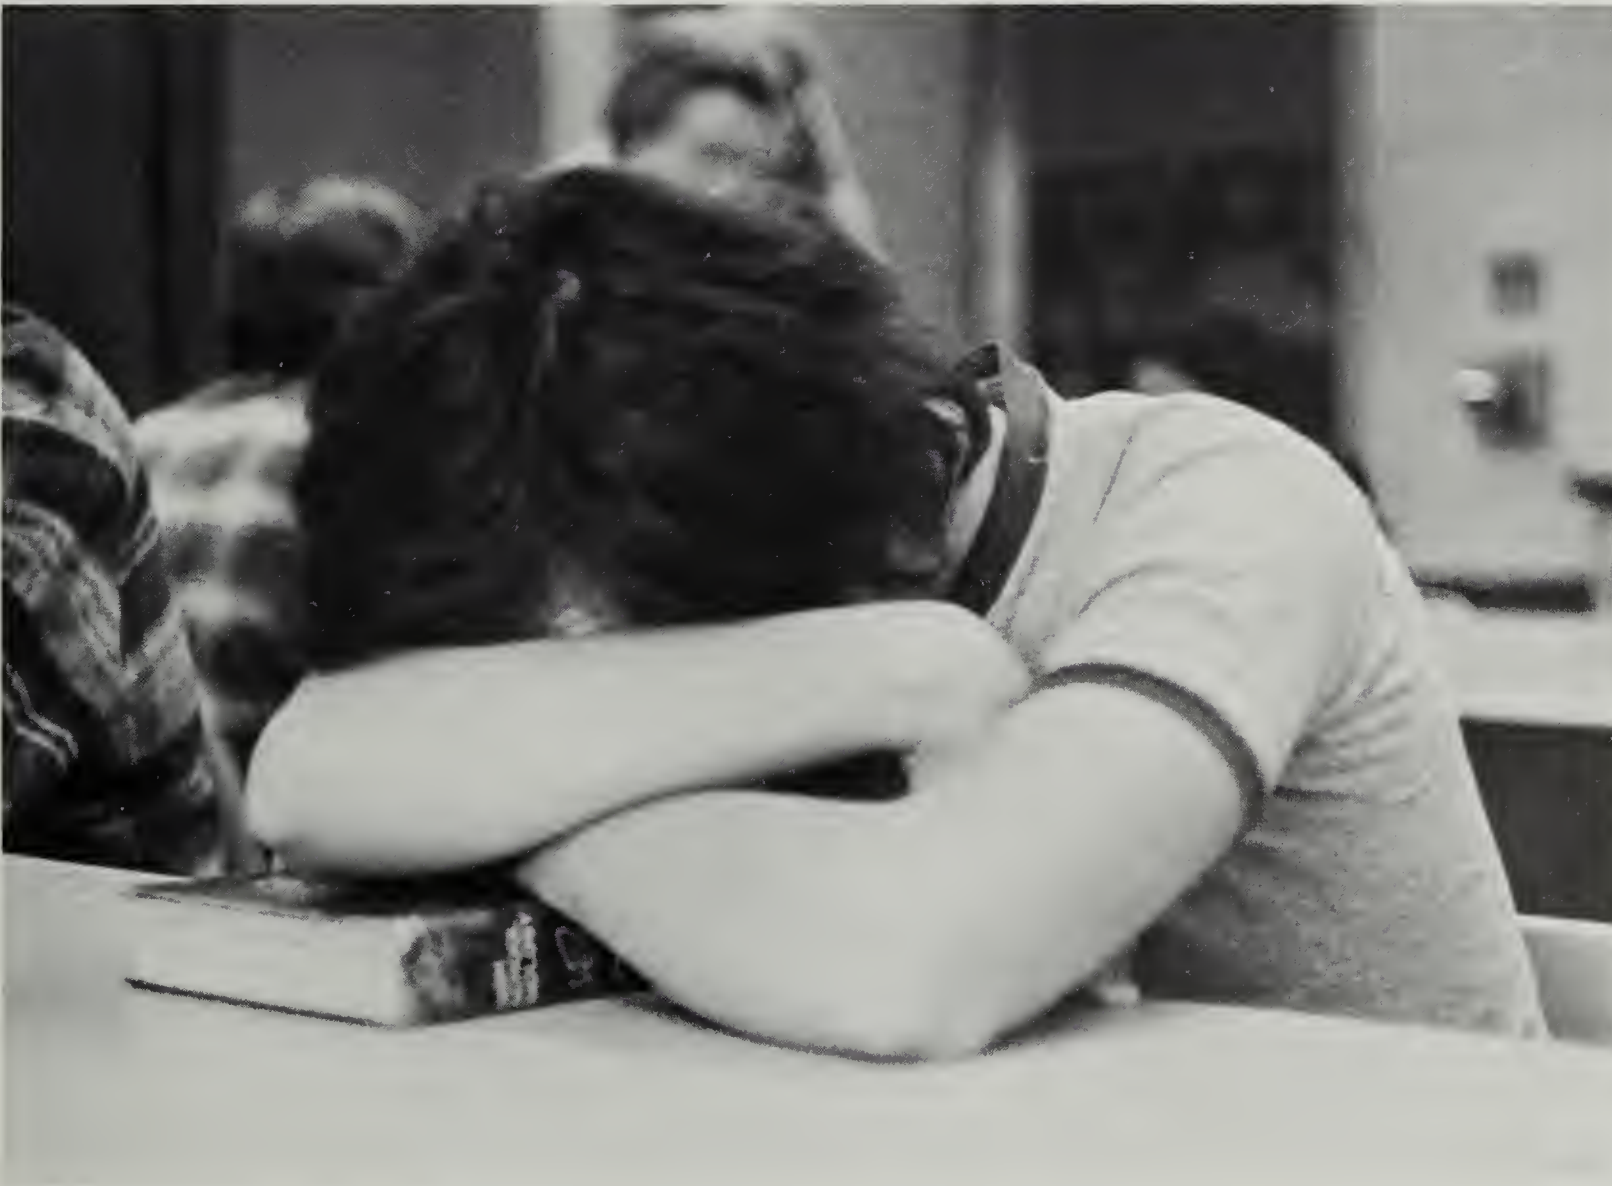

One of their most impressive projects was obtaining a lounge for the underclassmen. They have the enthusiasm and organization to make any project a success.

Jack Looney and Richard Hopkins get ready for the line up.

Although only being at Falls Church for a short time, the Frosh started the year with a lot of spirit. Enthusiasm was shown for their school by their Homecoming float and by their first place Pride Week decorations. They also had a successful class picnic in the fall.

It seems as if our Freshmen have become involved quickly and will be an active class in the future.

Being able to write this letter knowing it is the last part of the yearbook and it is all over is a great feeling of relief and contentment. It has been a hard job for us and we had to put up with a lot. Staying at school for twelve hours at a time trying to get in a deadline is not the easiest thing to do. Most people do not realize what a hard job making a yearbook is, but for the people who found out for themselves by doing the actual work we give out greatest thanks: Sue Stearns, Gloria Randall, Linda Bussler, Carol Bulson, Wendy Weaver, Lynn Burton, Brian Hart, Marcia Yanick, Jeff Freehoff. Also a special thanks to Mr. Jim Ellis of Hunter Publishing Company, Mr. Deal of LaMont Studios, Mrs. Brandt for the use of her pictures, and Mrs. Dearing, our sponsor. The students of Falls Church are what make a yearbook and we hope everyone will be proud of the 1973 *Jaguar*.

DAY BY DAY

Being just a student at FC is not enough for most people. Fullfillment comes in many ways.

For some, it may be the enthusiastic cheering at a pep rally with their friends.

For others it is the satisfaction gained not only through winning, but competing.

Sometimes it may come through knowing you can jokingly run for principal without any previous experience!

It comes with the ease of finding friendship in a crowd, or the peace of solitude.

BECOMING

A PART OF FALLS CHURCH HIGH

We came to Falls Church High with many hopes and expectations. They ranged from excellence in sports to scholastic achievements.

These ambitions often seemed very distant and impossible to grasp. Yet, in time, we found the qualities within ourselves needed to attain them.

Through meeting ordinary occurrences, whether they seemed important or not, we were brought a step closer to reaching our own personal goals.
